

APR 4.1 - Student Achievement

South Hamilton Community School District (6095)

Report Definition

Each year a school or school district is required to submit an annual progress report to the local community, AEA and Iowa Department of Education. This report provides the student achievement information of that report for the selected district or school for the selected school year.

Selected Parameters:				
Organization Type	School Year	Testing District	Data display	AEA and State comparisons
Public District	2014-2015	South Hamilton Community School District (6095)	Show All Available Data	Public data

Data for 2014-2015 is PRELIMINARY and subject to verification at the conclusion of the school year. Check student counts in the data table to verify if all enrolled students are represented, or if the counts reflect a partial data set, as this should impact the interpretation of the data.

Note: Changing the graph display options will refresh the display and return the report to page one.

APR 4.1 - Student Achievement

South Hamilton Community School District (6095)

Report Definition

Each year a school or school district is required to submit an annual progress report to the local community, AEA and Iowa Department of Education. This report provides the student achievement information of that report for the selected district or school for the selected school year.

Data for 2014-2015 is PRELIMINARY and subject to verification at the conclusion of the school year. Check student counts in the data table to verify if all enrolled students are represented, or if the counts reflect a partial data set, as this should impact the interpretation of the data.

APR 4.1 - Student Achievement

South Hamilton Community School District (6095)

Report Definition

Each year a school or school district is required to submit an annual progress report to the local community, AEA and Iowa Department of Education. This report provides the student achievement information of that report for the selected district or school for the selected school year.

Data for 2014-2015 is PRELIMINARY and subject to verification at the conclusion of the school year. Check student counts in the data table to verify if all enrolled students are represented, or if the counts reflect a partial data set, as this should impact the interpretation of the data.
