

Dear South Hamilton School families,

Beginning Monday, September 14, 2020 ALL enrolled students (including remote learners) will receive free reimbursable breakfast and lunch meals. The USDA has approved the program to operate through December 31, 2020. We will continue the operation of the program until that date or until all Federal funding has been exhausted. This approval is not retroactive. Meals served from August 24th through September 10th will be charged to your account.

One breakfast and one lunch per day per student is included. Students may purchase a 2nd breakfast, 2nd lunch, and/or additional milks and it will be charged to their account. For students who bring a lunch from home and request a milk, this will be charged to their student account.

To schedule a time to pick up meals for remote learners, please go to the school website, under Food Service tab, and click on “Virtual Learners” to complete the google form on a daily basis.
